Visit the KING

The national animal of India, the Royal Bengal Tiger ranks among the biggest wild cats of the planet today. Bengal Tiger is symbolic of real power and has always been an important part of Indian culture, mythology and is often referred to as the guardian as well as the ruler of the forest. This charismatic megafauna arrived in India some 12,000 years ago. Jim Corbett National Park came up in 1936 as Hailey National Park and is the oldest Indian National Park, the primary purpose of establishing which was to protect the Bengal Tiger.

In 1950, its name was changed to Ramganga National Park and renamed yet again as Jim Corbett National Park in 1956. It is one among the favorite haunts of travelers, explorers and nature lovers alike, the key attraction being the Bengal tigers, leopards and other animals. The park boasts of more than 550 species of birds and has been declared as 'important bird area' by the Bird Life International. In short, Jim Corbett is your boarding pass to the real, raw and royal nature!

You can enjoy jungle safari in Corbett as organized by the park and other tour operators.
